NAPPO Executive Committee Decision Sheet

Subject:

NAPPO Wood Packing Standard

Background:

In 2001, the NAPPO Executive Committee approved the NAPPO standard “*Import Requirements for Dunnage and other Wood Packaging Materials*”. This NAPPO regional standard served as the basis for development of an international standard approved by the Fourth Interim Commission on Phytosanitary Measures in March, 2002.

Decision:

Remove the NAPPO standard “*Import Requirements for Dunnage and other Wood Packaging Materials*” from the active records of NAPPO. Maintain a copy on file for historical record.
