4. Meeting structure & logistics

*Dinner – Sucrerie de la Montagne, Rigaud, Quebec
Wed., Oct. 30*

4. Meeting structure & logistics

THURSDAY – Oct. 31

Evaluation of next steps for an exotic pest once its presence has been confirmed in a NAPPO member country

Once a new pest is detected, how do National Plant Protection Organizations (NPPOs) in the NAPPO region make decisions as to whether they will regulate, eradicate, manage, or take no action?

NAPPO

North American Plant Protection Organization
Organización Norteamericana de Protección a las Plantas

MEXICO - USA - CANADA

5. Your part in the Annual Meeting

- Network
- “Harmonize”
- Provide input
- Ask questions
- Provide feedback
